### **XIIth Biennial AETTA Congress to be held on November 26-27, 2019 in Luxembourg**

Association of European Travel and Tourism Agencies is pleased to announce its XIIth Biennial Congress, which will be held in Luxembourg on November 26-27, 2019. The AETTA Congress is a high-profile event that brings together members of AETTA, other tourism industry participants as well as a number of prominent guests and speakers. Besides, being a great networking event the AETTA Congress is also an opportunity to exchange views and ideas on current business issues and challenges faced by the European travel and tourism industry.

Helmut Messner, Secretary General of AETTA, says “It is a great honour to bring together the distinguished companies and individuals that make up AETTA. As in previous times, the AETTA staff will do its utmost to make this event both productive and enjoyable for the participants.”

AETTA welcomes proposals for papers, panels, roundtables, workshops and other public presentations relevant to the European travel and tourism sector. We are particularly interested in discussion papers and speakers capable to provide insights into the development prospects in various key segments of our industry in both short and long term. The most interesting proposals will be included in the official agenda of the Congress. The deadline for submitting a proposal to AETTA is July 31, 2019.

All interested parties are invited to contact the AETTA's secretariat by email to the address [secretariat@aetta.org](mailto:secretariat@aetta.org) for the details of the Congress and the registration form. The deadline for the registration is September 30, 2019
